

*A Guide for Service Members and their Families*

**Fleet & Family Support Center NAS**

**Pensacola**

**Welcome to Paradise!!!!!!!**

The Emerald Coast has miles of sugar white sand beaches, southern hospitality and charm, plenty of outdoor activities, and friendly people.

NAS Pensacola, the Cradle of Naval Aviation, is located in extreme Northwest Florida, Escambia County, FL (there is also an Escambia County, AL); 65 minutes east of Mobile, AL, 45 minutes west of Ft. Walton Beach, FL, and 500 miles NW of Orlando, FL.

If you are coming to NAS Pensacola as a Navy student, typically you are not authorized (read your orders to ensure the account code supports movement of family members) to bring your family members with you. If you choose to do so, without authorization, the cost of the move to Pensacola will be out of pocket and the strong possibility exists you will have to pay for the majority, if not all, of the move to your next duty station at your own expense.
