MARINE SAFETY INFORMATION BULLETIN (MSIB) 031-26 **PUBLIC NOTICE OF A REGULATED NAVIGATION AREA (RNA)**

FALCON 9 STARLINK 10-49 ROCKET LAUNCH

The Captain of the Port Jacksonville, FL, will activate a portion of the regulated navigation area located near Cape Canaveral Space Force Station for the launch of the FALCON 9 STARLINK 10-49 ROCKET in accordance with Title 33, Code of Federal Regulations (CFR), Part 165.775

The regulated navigation area within the coordinates listed below will be activated 45 minutes prior to the FALCON 9 STARLINK 10-49 ROCKET being launched and shall remain active until the rocket is launched, or the zone has been deactivated by the Captain of the Port or their designated representative. The Captain of the Port will inform the public eight hours prior to the activation of the RNA by Broadcast Notice to Mariners on VHF-FM channel 16. Any person or vessel requesting to enter, pass through or remain in the RNA shall request authorization from the Captain of the Port or their designated representative via VHF Ch. 16. Failure to comply is punishable by a civil penalty of not more than \$117,608. Willful violation is punishable by a fine of not more than \$250,000 or imprisonment for not more than six years, or both, under the authority of 33 CFR 160.111 and Title 46, United States Code (USC), Parts 70002 and 70036. Each day of a continuing violation constitutes a separate violation.
